<b>**MIRLIN SDK for Windows CE</b>	<ul style="list-style-type: none"> <li>Version for Windows CE 5 or CE 6 R3. Specify CPU.</li> <li>DLL available</li> </ul>	2772	2016	1680	30%
<b>**Application Developers' Licence</b>	<ul style="list-style-type: none"> <li>Complete Iris developers' kit</li> <li>1600 eye image database</li> <li>Includes static LIB version of SDK</li> </ul>	9570	6960	5800	30%
<b>Upgrades</b>	Any product already purchased from us may be upgraded to a higher level product on payment of the difference in list price at the date of ordering the upgrade, plus any applicable delivery charges				
<b>Maintenance</b>	Annual fee for continuous updates to new MIRLIN versions is charged at 25% of the current list price				

**Licence Terms:** the above software is offered for use in research, testing and evaluation only - i.e. it must not be resold in whole or in part, or incorporated into any product or service intended for commercial use. Software is provided on an "as is" basis, but will include upgrades/improvements to that specific set of software functions for 1 year from date of delivery (thereafter, a maintenance charge applies)

**Commercial Use:** commercial product development and exploitation licences for using Smart Sensors' MIRLIN software library are available by negotiation. Our pricing for commercial licences is based on a % royalty (or fixed unit fee) on product or service revenue. There is no "per enrolment" charge.

**Delivery:** we aim to deliver within 10 days of order. Carriage included within UK, but if electronic delivery is not feasible, will be charged at cost to international destinations. Customers are responsible for paying any local tax, import duty or other charges that may be applicable.

**UK Customers:** VAT will be added at current standard rate (20% with effect from 4<sup>th</sup> Jan 2011)

**EU Customers:** please supply your VAT registration details with order to take advantage of reciprocal tax concession (Our VAT registration is GB 862 9602 03).

**Exchange Rate Variations:** Prices are based on exchange rates current on 03/11/11, and are subject to change without notice if the exchange rate varies significantly.
